

Operation Access enables Bay Area health care providers to donate vital surgical and specialty care to people in need. We envision health care equity for people facing barriers to care.

Solano County Statistics

■ Surgical Procedures and Diagnostic Services ■ Referrals to OA

Since 2005, Operation Access has provided care coordination, patient navigation, and volunteer engagement to coordinate over 150 surgical procedures and diagnostic services to low-income, uninsured Solano County residents.

Services are provided by physicians, nurses, and other professional staff who generously donate their time and skills in partnership with these hospitals and ambulatory care centers in partner facilities throughout the Bay Area.

Outpatient Services Provided

Breast, Dermatology, Gastroenterology, General Surgery, Gynecology, Plastic and Reconstructive, Ophthalmology, Orthopedics, Otolaryngology, Urology, Vascular

Other outpatient services may be available.

Participating Hospitals and Ambulatory Care Centers

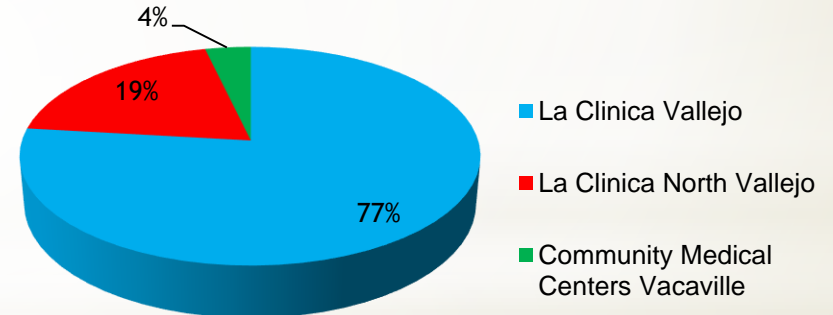

Kaiser Permanente Vacaville
Kaiser Permanente Vallejo
Sutter Fairfield Surgery Center

In 2016, community clinics identified a need for over 200 specialty services per year that is not being addressed by other programs.

OA is working to build its partner network and secure funding for care coordination and interpretation to launch a formal, full scale Solano County program in 2016 that addresses this need for services.

Solano County Referral Sources

82 total referrals in 2015

*In 2016, OA began accepting referrals from OLE Health- Fairfield, Solano County Family Health Centers, and Community Medical Centers- Fairfield and Dixon.
