Dear Dr. Allison:

In response to your letter to Dr. Ian Taylor dated April 5, 2011, I am pleased to officially inform you that the AGA Institute Governing Board approved support of the California pilot project to improve access to colorectal cancer screening for the uninsured and underserved.

On behalf of the Governing Board, I thank you for this opportunity and wish you great success with the program.

Sincerely yours,

C. Richard Boland, MD, AGAF  
President
